Dear Knights of Columbus Members,

I am honored to have been selected as a recipient of the Knight's of Columbus Scholarship. Thank-you for placing your confidence and trust in believing that I am worthy of this scholarship and capable of achieving my academic goals. Your generosity will help to ease the financial burden of tuition, cost of books and materials.

High School will always be a memorable phase of my life, especially my senior year. It was a time of great joy and bonding with friends whom I knew would be departing down different paths after graduation. Even so, I am looking forward to the many new challenges that come with enrolling in college and preparing me for the future. This summer I will be traveling to Celaya for the Mission trip, and working at the new Brookshire's in Anna.

Once again, I thank you for your generosity. I know there are many who may not have been so fortunate. Above all, I place my faith in God and the faithful community in which I am proud to be a part of, to help guide and direct me.

Sincerely,

A handwritten signature in cursive script that reads "Emilie Zavala".
